Form 990, Part III, Line 4a - Program Service Accomplishments

Family Connections empowers under-served families in San Mateo County with children from birth and beyond by providing free, high quality early learning programs linked with wrap-around services that propel our families - and our whole community - forward. In 2021, we served 379 children through our Early Childhood Programming and our Young Scholars Program. Our wraparound services, which include our home visiting program and our mental health services continue to play a vital role for families who are in need of additional support to help navigate the challenges they experience in their lives. In California, only 1.4% of families who may benefit from home visiting are served. Meanwhile, Family Connections ensures that 100% of our families receive home visiting. In addition, given the 41% increase in the need for mental health support we experienced during the pandemic, we were able to continue to provide mental health support for all of our families within 2 weeks of a referral being made. This is significantly less time than the county average of 26 weeks. We continue to explore ways to deepen our impact by identifying new funding opportunities that align closely with our strategic plan and will continue to evolve to meet the needs of our diverse community.
