**Form 990, Part III, Line 4a - Program Service Accomplishments**

Family Connections empowers under-served families in San Mateo County with children from birth and beyond by providing free, high quality early learning programs linked with wrap-around services that propel our families – and our whole community – forward. In 2023, we served 398 children and caregivers through our Early Childhood Programming and our Young Scholars Program. Our wraparound services, which include our home visiting program and our mental health services, continue to play a vital role for families who are in need of additional support to help navigate the challenges they experience in their lives.

In 2022, of the 8773 children living in San Mateo between birth and 3 years old, 5,790 were unable to enroll in Early Learning Programming, which is crucial for healthy educational development. Nearly 75% of California parents with children under 5 are concerned that their child's education and development have been impacted by the pandemic. Reports indicate that the communities we serve demonstrate a moderate to high need for mental health services. Daly City ranks as the highest-need
